

# **REDEEMER UNIVERSITY COLLEGE**

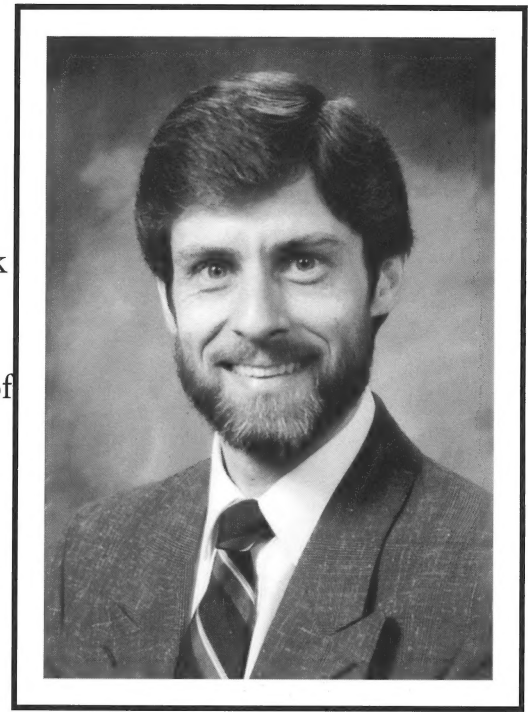

**"THEN YOU WILL KNOW THE TRUTH, AND THE  
TRUTH WILL SET YOU FREE." JOHN 8:32**

# President's Message

On behalf of the College community, I would like to commend the editor and the yearbook committee on a job well done in putting together this year's edition of Anno Domini. I would also like to thank them for the opportunity to contribute this message.

The 1999-2000 academic year has been a memorable one in the life of Redeemer College, signaling the beginning of a new phase of growth for this institution. Following our recognition as an undergraduate university by the province of Ontario, we have been blessed by an amazing 23% increase in enrolment, from 473 to 576 full-time students in one year! This has meant a number of changes, including the introduction of new academic programs in social work and environmental studies and the need to construct a new student residence.

Such growth has in turn led to the development of a new campus plan for our entire 78-acre campus, which envisions not only new residences but also a gradual expansion of our academic facilities to be able to accommodate up to 1000 students or more. What an exciting prospect for the only independent Christian university in Ontario! We're expecting the Lord to do great things in our midst.

And yet we have taken this change in stride, continuing to offer quality Christian university education and maintaining our hallmark of being a caring Christian community. It is my hope that you have personally experienced that reality of quality and caring this year in your studies, as well as your residence life and campus activities. And as you peruse these pages, I trust they will bring a sense of thanksgiving and appreciation to the Lord for all we have been able to share and enjoy.

We have again welcomed not only more students but also a greater diversity of students from 33 different denominational backgrounds, 17 different countries and seven Canadian provinces. We have also been blessed by an enthusiastic, committed and gifted student community. You have contributed to a rich diversity of scholastic, cultural, athletic, social and spiritual activities, all of which helped to enrich our academic community and to bring glory to our Lord.

We trust that the experiences you have had this year have confirmed that, "The Truth shall set you free," which was the theme of this year, taken from John 8:32. For Christ is the source and basis of our freedom to live and learn and serve. May that reality be the foundation and inspiration of your life whether you are returning for further studies at the College or beginning a new vocation or program of studies. God bless you!

Justin D. Cooper

# Student Senate

It was truly an exciting year to be a part of Student Senate! With the annual student barbeque and coffeehouse our Activities Committee got the year off to a flying start. We had a full schedule of events throughout the year including The Price is Right, the banquet, an incredible obstacle course, and some fun dances. Maria and her team are to be commended for their hard work.

The Spiritual and Service Committee founded a new event this year -- Saturday Night Alive. It was a blessing and will continue to meet next year for service and outreach. The Siritual Retreat with Robb Powell and Spiritual Entreat with Dr. Payton were both strongly edifying events. Greg and his team did a wonderful job building up the Redeemer community.

A highlight of our year as Senate was developing better relationships between different aspects of the school. We were able to make a positive contribution as a whole Senate to the budget-making process of the College. By avoiding a confrontational attitude in discussions, a deeper respect has been fostered between students and administration. We pray that this will continue in the future. Other areas we investigated with positive results were efforts to improve food stewardship on campus, reduce ticket prices for Mainstage and concerts for students, and the needs of off-campus students through a survey. Changes are in the works.

But the biggest event this year was Hairless for Hilltop. Raising over \$5300.00 from the Redeemer community we were able to be a blessing to many students at our sister institution in Nigeria. Praise God from whom all blessings flow!

Indeed, it was a year to remember. Thanks be to God for His grace and direction in all that we undertook.

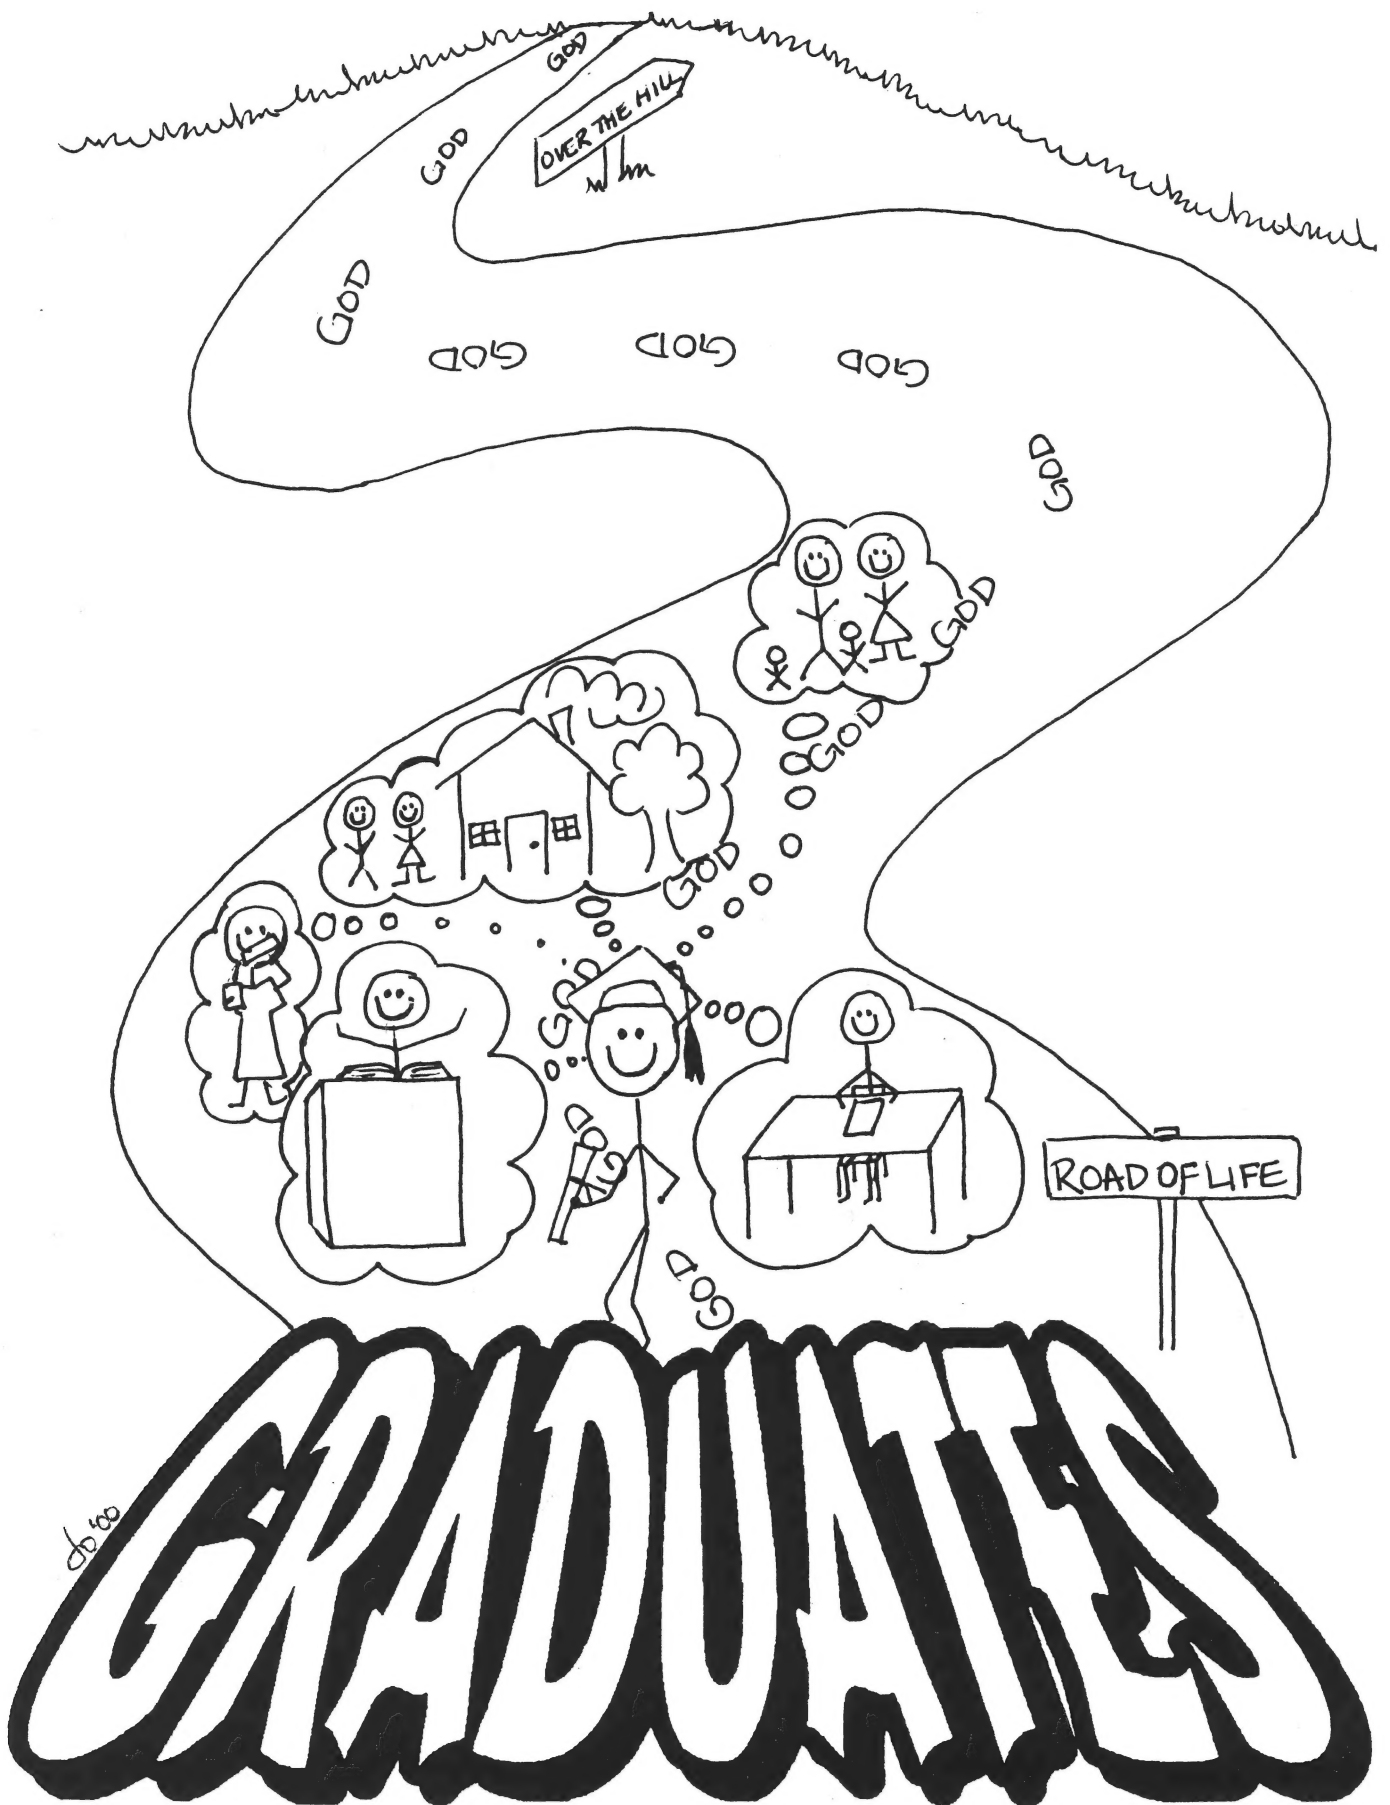

# Building on the Promise

This year saw another landmark in Redeemer's history. Enrolment increased dramatically, necessitating more space in residence for incoming students. With enrolment at about 600 this year, and expecting more students next year the college made some decisions about the shape of Redeemer in the years to come. This year they unveiled a plan for a new type of residence building and a new plan for the campus.

In 1986 the college moved from its old home on Beach Boulevard in Hamilton to the Ancaster Campus we now call home. Now, in the year 2000, the new vision for this campus was unveiled. The new residences are very different from the townhouses that have been enjoyed since moving here, but they keep the apartment-style of living that makes Redeemer's dorms popular. The ground breaking ceremony in January, seen in the picture below, was well attended. Many people showed up to witness the beginning of this new chapter in Redeemer's History.

This year's fall semester play was *The Caucasian Chalk Circle* written by Bertolt Brecht and directed by Ray Louter.

For weeks and months before opening night, hundreds of hours were spent memorizing lines, gathering costumes, props and rehearsing over and over. All the hard work obviously paid off and the finished product was a wonderful production including lights, instruments, and singing.

"If a list was compiled of the ten most influential people on the theatre this centruy, the name of Bertolt Brecht would have to be near the very top of it. His passion for social justice and politics, along with his love for a good story needs to be highlighted, but the clever ways in which he integrates these in drama make *The Caucasian Chalk Circle* a very fine illustration of his technique. The 20th century theatre owes much to his genius." ~ Notes from the Director, Ray Louter.

May God Himself, the God of peace, sanctify you through and through. may your whole spirit, soul and body be kept blameless at the coming of our Lord Jesus Christ.

1Thessalonians 5:23

Let the word of Christ dwell in you richly as you teach and admonish one another with all wisdom, and as you sing psalms, hymns and spiritual songs with gratitude in your hearts to God. Colossians 3:16

Therefore, prepare your minds for action; be self-controlled; set your hope fully on the grace to be given you when Jesus Christ is revealed. 1 Peter 1:13

Hard work and determination are the two things that best describe this year's women's soccer team. It was these two key elements that made the season successful. With Tom Sauder as our coach, who was later voted "OCAA Coach of the Year," our team had a new focus on team play and a renewed determination to do well. Never once could it be said that our team gave up before the final whistle blew. Never once did we lose by more than a goal. We even tied some of the nationally ranked teams. We missed our goal of a five-hundred season by one loss (3 wins, 4 losses, 3 ties, 13 goals for, 12 goals against). Another very positive aspect of our season was our Christian presence on and off the field. One team commented that we played hard, but if we knocked someone down, we would always help them back up again. We did all this with a very young team which gives us much hope for next year. At the close of this season, we said good-bye to one player, who will be graduating this year -- Gena Wiersma. Other than her, we hope to see everyone out for another great season next year. Thanks for the great season and all the hard work, ladies!!

The 1999-2000 season was one of rebuilding for the men's soccer team. After losing half of last year's starters it was good to have a bunch of new rookies this year. Again the men's team was unable to play consistently well and ended the season with no wins and eight losses. As with any team, there were good times and bad times, and it may have seemed that the bad far outweighed the good, but to their credit the men never gave up.

# Hockey

The Redeemer Royals Hockey team had a very successful year. We finished 16-3-2 in our league play and led all teams in the league in goals for, goals against, and penalty minutes. We played two games against Calvin College and came out victorious in both matches, thanks to our many fans. The other big accomplishment of the year was winning the league championship. We were able to make it to the championship game and come out with a convincing 6-4 win over the Waterdown Panthers. The team had lots of talented rookies and a couple of wily veterans. The best thing about the year was the fact that the team got along great and everyone loved playing together.

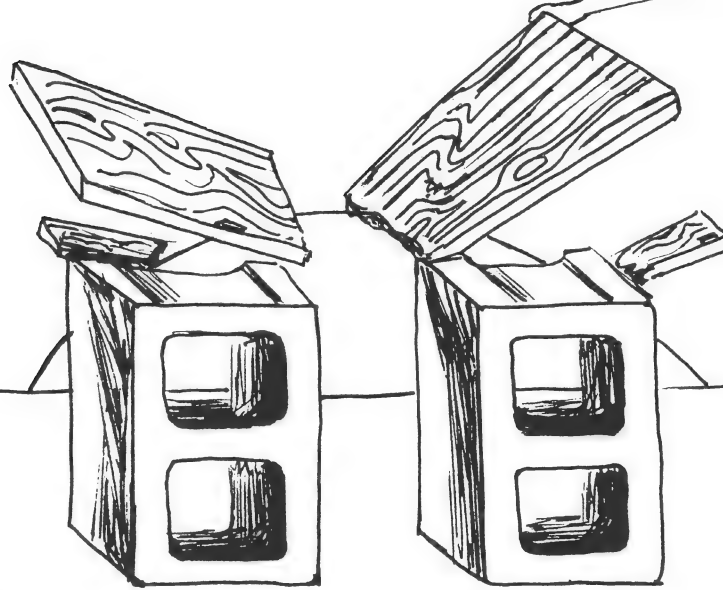

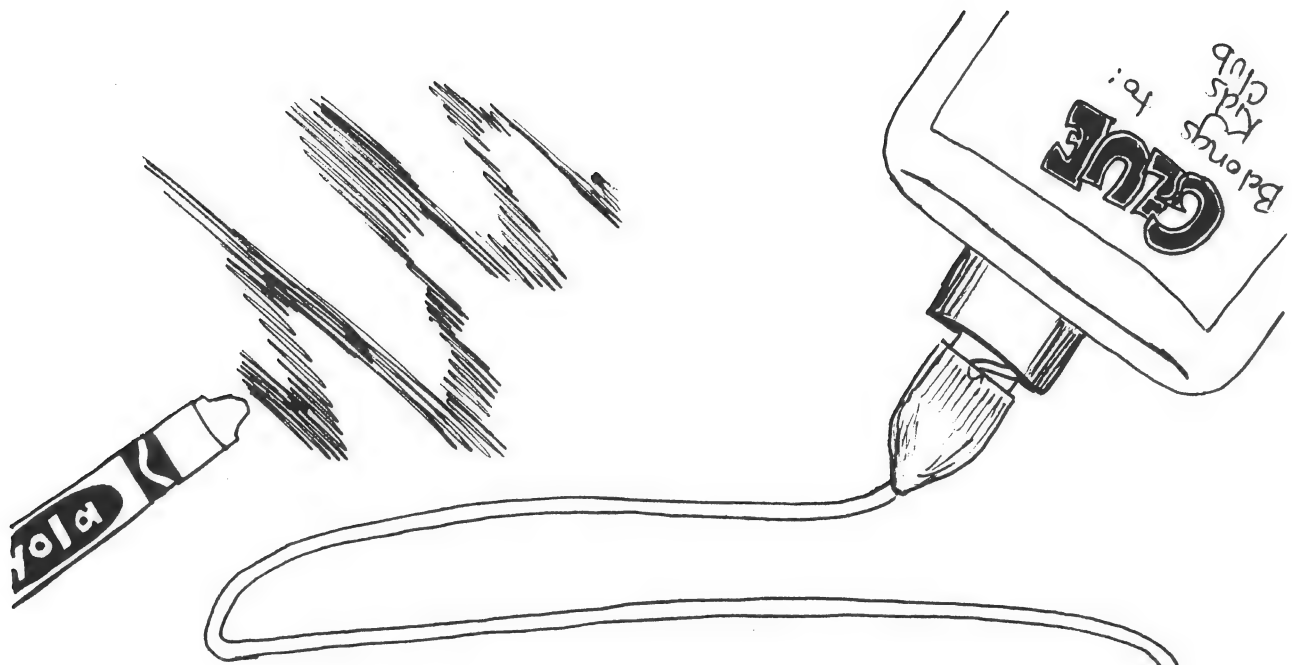

The Team: Dennis Schilthius, Matt Heinbuch, Brandon Hiddink, Ken Dam, James VanGurp, Darren Gibbons, Scott Vedder, Cam Stretch, Wes Laverty, Josh Thiessen, Ryan VanGeest, Ben Maas, Ryan DeGraaf, Brian VanStaalduinen, Randy Lodder

# Clubs - Kids' Club

Redeemer ran three Kids' Clubs this year. The clubs, ran on Tuesday, Wednesday and Thursday, were missions to the kids in the Hamilton area. Although challenging the clubs were highly rewarding. For an end of the year event some of the clubs came to visit Redeemer. Other clubs visited Crossroads where they participated in a taping!
